Frequently Asked Questions:

Who is program for? The Teams365 series of programs are geared for new, experienced and aspiring team leaders and those in middle management positions. The program is offered to the public and can also be delivered in house. Led by global leadership and team coach expert, Jennifer Britton, this programming is grounded in her experience of leading leadership development programming over the last 25 years. Geared to be practical in nature, an actionable right away, the program also provides you with ample resources you can follow-up on after class. This training may be taken in conjunction with, or separate to, the Teams365 Coaching Groups.

What’s included in my registration?

Your registration includes the materials and calls for the four- or six month process. This includes:

- A pre-program call with Jennifer to answer any questions you may have and so that Jennifer can learn more about you, your learning goals for the program, and how you can be supported best.
- Group calls - one hour each. Most modules are four weeks in length except for the Teams365 Stepping Into Your Leadership Capacity™ which is 6 weeks
- Weekly module notes which accompany the materials including resource links and any other materials you will need for the call.

- Invitations to join Jennifer and other leaders at the Coaching Gym, twice a month. This is a “Drop in” opportunity for coaching and conversation. Gym hours are typically 45 minutes in length and provide an opportunity for coaching and/or dialogue around topics we are exploring.
- Some programs have optional video content which you can view.

What do I need to participate?

Calls are usually held on a US based bridgeline. All participants are responsible for their own long distance charges in connecting with the bridgeline. We recommend that you connect using a land line, rather than a cell phone to ensure call quality. For international callers, you may find that skypping into the bridgeline provides a clearer connection. Speak to us about your particular needs.

In addition to the phone connection, each week we you will be asked to take action towards the goals you have set for yourself in the program.

Registration Cost: Typically the four week modules cost \$325 US. The Stepping Into Your Leadership Capacity™ course is five weeks in length and costs \$525 US, which includes an Everything DiSC assessment, to support you in gaining insights around your style.

Please register online at <http://www.coachingteamleaders.com> at the appropriate webpage.
